In accordance with Section 15165 of the Government Code, it is hereby agreed that

Drug Enforcement Administration, Los Angeles Field Division

(Name of CLETS Subscribing Agency)

hereinafter referred to as Subscriber, the Subscriber to the California Law Enforcement Telecommunications System (CLETS), will abide by all California and federal laws regulating the use of information from the CLETS; and, conform to the operating policies and regulations of the California Department of Justice (CA DOJ), the Federal Bureau of Investigation (FBI) and the International Justice and Public Safety Network (Nlets). It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

ORI # CADEA02S0

County: Los Angeles

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

CLETS MANAGEMENT CONTROL AGREEMENT

Agreement to allow the California Law Enforcement Telecommunications System (CLETS) access by

Drug Enforcement Administration San Francisco Field Division,
(Public law enforcement/criminal justice agency)

CADEA03S0
(ORI)

to Toolworks
(Dispatch, parking citation, or data processing public agency)

to perform Janitorial services on its behalf.
(Type of service)

Access to the CLETS is authorized to public law enforcement and criminal justice agencies only (*hereinafter referred to as the CLETS subscribing agency*), which may delegate the responsibility of dispatching, parking citation, or data processing/information technology services to a public agency that is neither a law enforcement agency nor a criminal justice agency (*hereinafter referred to as the Non-CJ agency*). The Non-CJ agency may receive information from the CLETS on behalf of the CLETS subscribing agency to accomplish the above-specified services if such delegation is authorized, pursuant to statute, regulation, or interagency agreement. A signed CLETS Management Control Agreement (HDC 0004A) must be received by the California Department of Justice (CA DOJ) prior to the subscribing agency permitting the Non-CJ agency access to the CLETS. The performance of such delegated services by an otherwise Non-CJ agency does not convert that agency into a public criminal justice agency, nor automatically authorize access to state summary criminal history information. Information from the CLETS is confidential and may be used only for the purpose(s) for which it is authorized. Violation of confidentiality requirements or access authorizations may be subject to disciplinary action or criminal charges.

Pursuant to the policies outlined in the *CLETS Policies, Practices, and Procedures (PPP)* and the Federal Bureau of Investigation's (FBI) *Criminal Justice Information Services (CJIS) Security Policy*, it is agreed the CLETS subscribing agency will maintain responsibility for security control as it relates to the CLETS access. Security control is defined as the ability of the CLETS subscribing agency to set, maintain, and enforce:

1. Standards for the selection, supervision, and termination of personnel. This does not grant hiring/firing authority to the CLETS subscribing agency, only the authority to grant CLETS access to personnel who meet these standards and deny it to those who do not.
2. Policies governing the operation of computers, access devices, circuits, hubs, routers, firewalls, and other components that make up and support a telecommunications network and related CA DOJ criminal justice databases used to process, store, or transmit criminal justice information, guaranteeing the priority, integrity, and availability of service needed by the criminal justice community.

CLETS MANAGEMENT CONTROL AGREEMENT

Security control includes, but is not limited to, the supervision of applicable equipment, systems design, programming, and operating procedures associated with the development, implementation, and operation of any computerized message-switching or database systems utilized by the served law enforcement agency or agencies. Computer sites must have adequate physical security to protect against any unauthorized viewing or access to computer terminals, access devices, or store/printed data.

Additionally, it is the responsibility of the CLETS subscribing agency to ensure that all Non-CJ agency personnel accessing the CLETS information meet the minimum training, certification, and background requirements that are also imposed on the CLETS subscribing agency's staff. The minimum requirements are applicable also to staff having access to record storage areas containing information from the CLETS. The minimum requirements include, but are not limited to:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all the CLETS computer operators to ensure compliance with the CLETS and the FBI's National Crime Information Center (NCIC) policies and regulations, if applicable.
2. State and FBI fingerprint-based criminal offender record information searches must be conducted prior to allowing access to CLETS computers, equipment, or information. If the results of the criminal offender record information search reveal a record of any kind, access will not be granted until the CLETS subscribing agency can review the matter to decide if access is appropriate. If a felony conviction of any kind is found, access shall not be granted.
3. Each individual must sign a CLETS Employee/Volunteer Statement form (HDC 0009) prior to operating or having access to CLETS computers, equipment, or information.

In accordance with CLETS/NCIC policies, the CLETS subscribing agency has the responsibility and authority to monitor, audit, and enforce the implementation of this agreement by the Non-CJ agency. The Non-CJ agency agrees to cooperate with the CLETS subscribing agency in the implementation of this agreement and to accomplish the directives for service under the provisions of this agreement. The CLETS Management Control Agreement (HDC 0004A) shall be updated when the head of either agency changes or immediately upon request from the CA DOJ.

2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

In accordance with Section 15165 of the Government Code, it is hereby agreed that

DHS - Homeland Security Investigations (HSI) - San Jose

(Name of Agency or Organization)

hereinafter referred to as Subscriber, as a Subscriber to the California Law Enforcement Telecommunications System (CLETS), will conform to the operating policies and regulations of the California Department of Justice (CA DOJ) and the Federal Bureau of Investigation (FBI).

It is further agreed by the Subscriber that, to receive such criminal history information as is available in the FBI files and in the CA DOJ files, the Subscriber agrees to abide by all rules and policies of the FBI as approved by the National Crime Information Center (NCIC) Advisory Policy Board. The Subscriber also agrees to adhere to all rules and policies of the National Law Enforcement Telecommunications System. No private entity shall be authorized to access the CLETS, nor shall the CLETS be used on behalf of a private entity for purposes of parking citation enforcement.

It is understood by the Subscriber that violation of these policies and regulations may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee.

The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state, and federal agencies that use information from the CLETS to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, and regulations of each file that is accessed or updated. Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM SUBSCRIBER AGREEMENT

ORI# CAICE2300 County Santa Clara

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

In accordance with Section 15165 of the Government Code, it is hereby agreed that

Defense Criminal Investigative Service (DCIS)

(Name of CLETS Subscribing Agency)

hereinafter referred to as Subscriber, the Subscriber to the California Law Enforcement Telecommunications System (CLETS), will abide by all California and federal laws regulating the use of information from the CLETS; and, conform to the operating policies and regulations of the California Department of Justice (CA DOJ), the Federal Bureau of Investigation (FBI) and the International Justice and Public Safety Network (NIets). It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

ORI # CADHS0100

County: San Diego

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

In accordance with Section 15165 of the Government Code, it is hereby agreed that

United States Secret Service

(Name of CLETS Subscribing Agency)

hereinafter referred to as Subscriber, the Subscriber to the California Law Enforcement Telecommunications System (CLETS), will abide by all California and federal laws regulating the use of information from the CLETS; and, conform to the operating policies and regulations of the California Department of Justice (CA DOJ), the Federal Bureau of Investigation (FBI) and the International Justice and Public Safety Network (NIJ). It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

In accordance with Section 15165 of the Government Code, it is hereby agreed that

FEDERAL BUREAU OF INVESTIGATION - OAKLAND RESIDENT AGENCY

(Name of CLETS Subscribing Agency)

hereinafter referred to as Subscriber, the Subscriber to the California Law Enforcement Telecommunications System (CLETS), will abide by all California and federal laws regulating the use of information from the CLETS; and, conform to the operating policies and regulations of the California Department of Justice (CA DOJ), the Federal Bureau of Investigation (FBI) and the International Justice and Public Safety Network (NIJS). It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

US INTERNAL REVENUE SERVICE, CRIMINAL INVESTIGATION

(Name of CLETS Subscribing Agency)

hereinafter referred to as Subscriber, the Subscriber to the California Law Enforcement Telecommunications System (CLETS), will abide by all California and federal laws regulating the use of information from the CLETS; and, conform to the operating policies and regulations of the California Department of Justice (CA DOJ), the Federal Bureau of Investigation (FBI) and the International Justice and Public Safety Network (NIJ). It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS) SUBSCRIBER AGREEMENT

ORI # CAIRS25S0

County: SACRAMENTO

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.

In accordance with Section 15165 of the Government Code, it is hereby agreed that

DHS/ FEDERAL PROTECTIVE SERVICE

(Name of CLETS Subscribing Agency)

hereinafter referred to as Subscriber, the Subscriber to the California Law Enforcement Telecommunications System (CLETS), will abide by all California and federal laws regulating the use of information from the CLETS; and, conform to the operating policies and regulations of the California Department of Justice (CA DOJ), the Federal Bureau of Investigation (FBI) and the International Justice and Public Safety Network (NIets). It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

hereinafter referred to as Subscriber, the Subscriber to the California Law Enforcement Telecommunications System (CLETS), will abide by all California and federal laws regulating the use of information from the CLETS; and, conform to the operating policies and regulations of the California Department of Justice (CA DOJ), the Federal Bureau of Investigation (FBI) and the International Justice and Public Safety Network (NIJ). It is further agreed that federal, state or local law enforcement agencies shall not use any non-criminal history information contained within this database for immigration enforcement purposes. This restriction does not pertain to any information that is regarding a person's immigration or citizenship status pursuant to 8 U.S.C. sections 1373 and 1644.

It is understood by the Subscriber that violation of these policies, regulations and laws may result in suspension of service or other appropriate disciplinary actions as determined by the CA DOJ, with recommendation from the CLETS Advisory Committee. The CA DOJ reserves the right to immediately suspend furnishing criminal offender record information to the Subscriber when either security or dissemination requirements are violated.

It is understood by the Subscriber that it is the responsibility of all city, county, state and federal agencies that use information from the CLETS, are required to participate in the CA DOJ's training programs to ensure all personnel (i.e., terminal operators, peace officers, investigators, clerical, agency management/supervisors, etc.) are trained in the operation, policies, regulations and laws of each file that is accessed or updated. The Subscriber understands that training shall be provided only by the CA DOJ's training staff or another certified CLETS/NCIC trainer. Periodic unannounced site inspections may be performed by the CA DOJ to ensure compliance with the criminal offender record information regulations and CA DOJ policies.

CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS) SUBSCRIBER AGREEMENT

ORI # CAVA008S0

County: San Francisco

It is further agreed by the Subscriber that the following training requirements will be followed:

1. Initially (within six months of employment or assignment) train, functionally test, and affirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
2. Biennially provide functional re-testing and reaffirm the proficiency of all terminal (equipment) operators (full access/less than full access) by the completion of a Proficiency Examination (or facsimile thereof) to ensure compliance with the CLETS/NCIC policies and regulations.
3. Maintain record of all training, testing, and proficiency affirmation. An individual computerized or written log must be maintained on each full access operator. Such logs may be destroyed three years after the operator is separated from the agency. Training records for less than full access operators, practitioners, administrators, and other sworn/non-sworn law enforcement personnel shall be maintained on a computerized or written group log. Less than full access operator group access logs shall be retained indefinitely by the agency. The examinations may be discarded upon entry of the required information in the appropriate log.
4. Initially (within six months of employment or assignment) all sworn law enforcement personnel must receive basic training in the CLETS/NCIC policy and regulations.
5. Make available appropriate training on the CLETS/NCIC system use for criminal justice practitioners other than sworn personnel.
6. All sworn law enforcement personnel and other practitioners should be provided with continuing access to information concerning the CLETS/NCIC systems, using methods such as roll call and in-service training.
7. Provide peer-level training on the CLETS/NCIC system use, regulations, policies, audits, sanctions, and related civil liability for criminal justice administrators and upper-level managers.

Either the CA DOJ or the Subscriber may, upon 30 days notice in writing, discontinue service. This Subscriber Agreement shall be renewed when the agency head changes or immediately upon request of the CA DOJ.
